

2010 Employee Computer Purchase Plan

We are pleased to offer again this year the option of purchasing a computer system from a national vendor, DELL, in conjunction with the City of Sanford.

This program is eligible to non-probationary employees that have been **employed for 1 year**. You may purchase from the following new systems for your home and pay it back through payroll deduction (up to 60 pay periods) at 0% interest. Order sheets must be returned between **October 14th and October 29th** directly to John Clayton or Amy Gordon. When you return your **COMPLETED** order sheet, you will then sign a promissory note for payment schedule.

DELL prices may vary slightly at time of order; you will be notified if that occurs.

Configurations are subject to change due to availability.

The DELL system prices below already include shipping and will be delivered to City Hall for pick up.

Name _____ Dept Name _____ Supervisor _____

Home Address _____ City _____ Zip _____

Home # _____ Work # _____ # of Years Employed _____ 1st Time in Plan: Yes No
