4. The Optional Corporate Fee of \$200 will entitle the Corporation to treat Company Guests as members up to, but not exceeding, twenty (20) rounds of golf per year. This must be coordinated in advance with the Golf Course Management.
5. The Corporation must have at least 7 people on the roster to be eligible for the discount rate.
6. A member who leaves or quits, but stays in the area, may continue to play on the membership for the remainder of the fiscal year, but will have to buy an individual membership past that point.
7. Payment must be received in the form of a Company check, all in one payment, made payable to:
